WINES BY THE GLASS

Household 6 - Fruit Wine - Z & M Twisted Vines

Household 6 is the commander of the house, whether it's the man or the woman, they are in charge. They are the sixth element which leads the family when a soldier is deployed. This wine is a tribute to all those that hold up the fort when their spouse is deployed. Just like life, this mixed fruit wine leaves you zesty for more – orange zest is a great garnish to this sangria.

Apple - Fruit Wine - Davenport

Sweet fruit wine made with Blushing Gold apples.

Winter White - Sweet White - Stone Pillar

White sweet wine with hints of pear and peach. Great wintry wine.

Rosie Bottoms - Cranberry Wine - Z & M Twisted Vines

Our fun blush wine. It is made from cranberries and has notes of citrus at the end and a spank of grape fruit. It's easy to drink but packs 12% ABV. We like to say, "Rosie Bottoms is a good time in a glass!"

Shady Betty - Blush - BlueJacket Crossing

Semi-sweet blush. Fruity with notes of strawberry and cream.

Buck Naked - Red Wine - White Tail Run

Medium-bodied with a burst of intense berry flavor.

Wolf Red - Red Wine - BlueJacket Crossing

Slightly sweet red blend. Red cherry, plum. Lightly oaked.
